Ranch Rally 1000

Ranch Rally 1000 June 25-30th 2024

The Ranch Rally 1000 is a California driving experience from Southern California to Northern California. Five days, stunning ocean views, majestic mountain views, exclusive spirit tasting, Luxury Hotel, open roads and a taste of ranch life with fellow sports car enthusiasts.

The Ranch Rally 1000 takes place in the ocean framed Orange County, California. The Ranch Rally 1000 starts at Irvine Porsche in Irvine California and takes you up the iconic PCH through The "OC's" Beach cities like the whale watching capital of the world Dana Point, the seven miles of beaches and canyons in idyllic Laguna Beach, past Crystal Cove State Park and into the ten miles of the majestic coastline of Newport Beach. The journey continues as you drive from sea level up into the windy roads of the Sierra Nevada mountain range into Mammoth Lakes, California with an elevation 11,053ft. After checking in at The Westin Monache Resort, the day's experience continues with dinner and spirit tasting at Shelter Distillery.

The Ranch Rally 1000 continues on day two, driving around June and Grant Lake, the scenic 395 leads you through amazing views of mountains, Vistas and Valleys as it takes you to Nevada's capital, Carson City. The scenic views continue, passing Washoe Lake, driving towards the biggest little city in the world - Reno, Nevada. Heading back in to California you pass White Lake to the California Nevada border town of Cold Springs with more epic mountain views. As you cross the state line, Ca-70 takes you into The Plumas National Forest - where the abundance of unbelievable views continue.

The next three days take you into a forgotten time, escape into the quaint GreenHorn Ranch - The Northern California premier 600+ acre guest ranch in the Lost Sierra. The Greenhorn Ranch offers you and your favorite co-pilot a remarkable experience. Mornings consist of more magnificent driving roads around Lake Tahoe, the nostalgic atmosphere of the wooden boat era at Carnelian Bay, The Feather river scenic byway and Lake Almanor . Afternoons and evenings provide epic ranch adventures with refined California lodging and elevated cuisine in a spectacular natural pine and pasture setting.
